

**International Conference on
Smart Manufacturing and Industrial Systems (ICSMIS 2011)
March 10-11, 2011
Trinidad and Tobago, West Indies**

An International Conference on Smart Manufacturing and Industrial Systems (ICSMIS 2011) is to be held in March 10-11, 2011 in Trinidad and Tobago, West Indies. The conference aims to provide a forum for academics, researchers and practitioners to exchange ideas on the recent developments in the field of smart manufacturing and industrial systems. The conference is also expected to foster networking, collaboration and joint effort among the conference participants to advance the theory and practice, as well as to identify major trends in the next generation of manufacturing technologies and industrial systems.

Topics covering industrial issues/applications and academic research, include, but are not limited to:

- Smart Manufacturing
- Next generation CNC
- Laser and Sensor Technologies
- E-Manufacturing
- Global Manufacturing and Management
- Intelligent Manufacturing Systems
- Education in Manufacturing and Industrial Systems
- Manufacturing Systems
- Optimisation
- Artificial Intelligence
- Quality Control and Management
- Reliability and Maintenance Engineering
- Safety, Security and Risk Management
- Innovation and Management
- Logistics and Supply Chain Management
- Systems Modeling and Simulation
- Healthcare Systems
- Pharmaceutical manufacturing Systems
- Design and Manufacturing
- Service Engineering
- Engineering Asset management

Important Dates:

- Submission Deadline: October 01, 2010 (full paper or abstract)
- Final Paper Submission: November 15, 2010 (final full paper)

Conference Web Site: For latest and additional information, visit www.SMIS2011.org

Submission: Submit your full paper or abstract online - <http://www.xcdsystem.com/smis/>

Venue: Hyatt Regency, Port of Spain, Trinidad

About the Venue:

With Independence Square just steps away, the Hyatt Regency Trinidad is the preferred destination for the discerning business traveller. The downtown city centre is the hub for business throughout the southern Caribbean. By virtue of the prime location in the heart of downtown Port of Spain, the Hyatt Regency Trinidad is also the ideal base for exploring exciting local attractions and experiencing the rich cultural influences and expressions of a multi-ethnic island. The hotel is close to the best attractions in and around the capital city, including the waterfront esplanade, popular sports venues and the north coast beaches. Bursting with spirit and a stimulating mix of business, cultural activities, eco-adventure and culinary pleasure, participants will not be bored while visiting the island.

Registration Fees:

- Author/Participants: US\$ 500
- Student Author: US\$ 200
- Local Author/Participants: US\$ 400
- Local Student Author/Participants: US\$ 100

Organiser: The University of West Indies (UWI) - St Augustine, Trinidad and Tobago (T&T)

Co-organisers and Sponsors:

- Association of Professional Engineers of Trinidad and Tobago (APETT)
- Board of Engineering of Trinidad and Tobago (BOETT)
- IEEE Trinidad and Tobago Section (IEEETT)
- Lawrence Technological University (LTU)
- Society of Hispanic Professional Engineers
- South American Engineering Institute

- University of Hartford

General Chairs:

Dr. Winston Lewis, UWI, T&T

Dr. Chanan S. Syan, UWI, T&T

Local Organising Chairs:

Dr. Clement K. Sankat, Campus Principal, UWI, T&T

Dr. Clément Imbert, UWI, T&T

Local Organising Committee:

Dr. Brian Copeland, UWI, T&T

Dr. Chanan S. Syan, UWI, T&T

Dr. Chandrabhan Sharma, UWI, T&T

Dr. Clément Imbert, UWI, T&T

Dr. Edwin I. Ekwue, UWI, T&T

Dr. Fernando Castellanos, IEEEETT, T&T

Dr. Graham King, UWI, T&T

Dr. Kit Fai Pun, UWI, T&T

Dr. Ruel Ellis, UWI, T&T

Dr. Terrence Lalla, UWI, T&T

Dr. Winston Lewis, UWI, T&T

Eng. Alvin Lutchman, BOETT, T&T

Eng. Richard Saunders, APETT, T&T

Technical/Scientific/Publication Chairs:

Dr. Ahad Ali, Lawrence Technological University, Southfield, Michigan, USA

Dr. Devdas Shetty, University of Hartford, Connecticut, USA

Dr. Kit Fai Pun, UWI, T&T

Dr. Winston Lewis, UWI, T&T

Technical/Scientific/Publication Committee:

Dr. Agustin Rullan, University of Puerto Rico - Mayaguez.

Dr. André A. P. Lerm, IF-SUL (Federal Institute of Education, Science and Technology at South RS) Pelotas, RS, BRAZIL

Dr. Chanan S. Syan, UWI, T&T

Dr. Clément Imbert, UWI, T&T

Dr. John W. Garcia, Universidad Libre de Colombia, Bogotá, Colombia

International Advisory Committee:

Dr. Ajay Joneja, Hong Kong University of Science and Technology, Hong Kong

Dr. Albert H.C. Tsang, The Hong Kong Polytechnic University, Hong Kong

Dr. Anusz Szpytko, AGH University of Science and Technology, Poland

Dr. Arun Kumar, RMIT University, Australia

Dr. Bhaba R. Sarker, Louisiana State University, USA
Dr. Derek Godfrey, Buckinghamshire New University, England
Dr. Eduardo A. Destefans, Argentina
Dr. Glen Bright, University of KwaZulu Natal, South Africa
Dr. Hamid Seifoddini, University of Wisconsin-Milwaukee, USA
Dr. Ing Eckart Uhlmann, Fraunhofer-Institute for Production Systems and Design Technology
IPK, Germany
Dr. Jay Lee, University of Cincinnati, USA
Dr. Kondo H. Adjallah, Paul-Verlaine University, Metz, France
Dr. Kwai Sang Chin, City University of Hong Kong, Hong Kong
Dr. Muammer Koc, Virginia Commonwealth University, USA
Dr. Raj Gill, Middlesex University, England.
Dr. Robert de Souza, National University of Singapore

ABOUT The University of the West Indies, St Augustine, Trinidad

The University has expanded to four campuses that serve diverse communities across the Caribbean region - Cave Hill in Barbados, St. Augustine in Trinidad and Tobago, Mona in Jamaica and the Open Campus - all of which deliver high-quality education, research and services to all 15 contributing countries that support the University, as well as the Turks & Caicos Islands. The University of the West Indies currently has a total enrolment of over 39,000 students and graduates annually approximately 5,800 students (at undergraduate, graduate and diploma levels).
